Members Absent (Unexcused):

Presentation to Staff Senate – Veronica Salazar & Mary Hernandez
(See provided presentation)

• Campus Climate Focus Groups
  o Tactical team on processes and policies, although they didn’t officially meet.
    There’s topics that they want to discuss, will this be picked back up?
      ▪ Yes, will start with those and continue moving forward with those in FY23

• Market Adjustments
  o QUESTION: Supervisors making less than those who received market adjustments. Will those positions be evaluated?
    ▪ Yes. They will work with those leaders to make any other adjustments and is all depending on funding availability.

• FY23 Holidays
  o Floating Holiday added and can be used and requested as an absence in PeopleSoft.
  o Floating Holiday can also be accrued if not used in the FY it was granted
  o Xavier: When does the floating holiday enter the employee’s absence bank?
    ▪ September 1, 2022

• Educational Benefit
  o Kat – Is there any considerations for employee’s family (children)?
    ▪ They will add this suggestion to the focus group to discuss in further detail.

• Flexible Work Arrangements

• AVP-PE Search Update
  o Search committee made up of all areas at UTSA
  o Candidates identified and interviews have started

• Professional Development
  o Looking to implement in FY23

Campus Climate
Focus Groups
Focus Groups

**Institutional Approach**
- Focus groups were held in April
- Partnered with Huron to facilitate discussions
- Results will be shared with the campus community

**Divisional Approach**
- At the division and college level, employees will have opportunities to give feedback on two key areas: unit-area issues identified in the campus climate survey results, and opportunities to enhance cascading communication
- Leaders are implementing customized approaches, which may include focus group surveys or other methods.
- Division and college leaders will share more information about ways in which employees can participate.
Institutional Focus Group Participation

Invitations were extended to the full UTSA campus community to participate in a 90-minute focus group session.

**Focus Group Summary**

Demographics

Institutional Focus Group Demographics

UTSA’s People Excellence office provided Huron with demographic information for focus group participants. Session attendance was constructed in an attempt to reflect the diversity of the UTSA community.
Themes

Institutional Focus Groups: Overview of Prominent Themes
Next Steps

**Institutional:**

- Discuss and determine priority areas of focus and develop plans for implementation.
- Align with Divisional Action Plan development.

**Divisional:**

- People Excellence/HRBPs continue to work with division and college leaders to implement divisional approach to gather feedback.
- HRBPs and leader partner to create Action Plan.
Market Retention Adjustments
Compensation Strategies

Increase Minimum Pay Rates & Pay Scales
$2.1 million
- Minimum hourly wage increases:
  - Staff: to $15/hr.
  - Student employee: to $10/hr.
- FTT faculty minimum salary pay scales established
- Faculty and staff pay compression adjustments
  - For staff, select incumbent hourly rates increased to $16-$17
- Effective September/October 2021
- Status: Complete

Merit Increase
$7.9 million
- Increase of up to 4% based on 2020-2021 performance evaluation rating
- Recognizes increased workloads while maintaining high-quality services and support
- Rewards exceptional faculty and staff for going above and beyond
- Effective January 1, 2022
- Status: Complete

One-Time Faculty & Staff Stipends
$3.3 million
- Provided one-time stipends to faculty and staff to recognize adaption to rapidly changing conditions
- Faculty stipends paid on October 1, 2022
- Staff stipends paid on December 1, 2022
- Status: Complete

Market Retention Adjustments
$3.7 million
- Staff: Funding allocated to adjust certain pre-determined administrative job categories
  - Hard-to-fill, high-turnover and highly-skilled positions
- Faculty: college-specific consultations to determine funding proportions for adjustments (new hires, market retention compression adjustments, graduate student investments, etc.)
- Status: Complete
Process

- Approach to identify positions:
  - College & University Professional Association (CUPA)
  - Universities within UT System
  - Other state universities
  - Internal retention and recruitment data

- Hard to fill jobs
  - Non-competitive salary in the market or industry, and/or high demand for a specific skill set

- Assessment of turnover
  - Based on termination data occurring within the prior 12 months
  - Targeted 12% or higher turnover rate

- Examples of highly skilled positions:
  - Developers: Web and Javascript
  - Software Engineers
