An extended term of three years will be allowed if and only when a Staff Senate member in their second year of a two-year term is elected to the Vice Chair position by a 50% plus 1 majority of Staff Senate voting members.
2. Once elected, Staff Senate members will represent the area from which they were elected.

4. Elections of Staff Senate members shall be held every summer to become effective September 1
5. Elections of Executive Committee members shall be held no later than September and become effective immediately.

Section 2

If a Staff Senate position becomes vacant before the completion of the elected term, a replacement representative may be identified to fulfill the remainder of the vacant position's term. The process to fill a vacant position will be as follows:

1. The position will be offered to the person with the next highest vote total from that year's election

cycle. For instance, if someone elected in 2019 to represent Academic Affairs resigns, the position will be offered to the person with the next highest vote total from the 2019 Academic Affairs election pool.

- a. If the person with the next highest vote total does not accept the position, the process will continue with the next person on the list until the vacancy is filled.
2. A vacant position from the prior election cycle may be offered to someone from the most recent election cycle if there are no additional candidates from the prior year's election pool. For instance, if someone elected in 2019 to represent Business Affairs resigns, the position would first be offered to other nominees from the 2019 Business Affairs election pool. If the 2019 Business Affairs election pool is exhausted without someone accepting the position, the position could then be offered to someone from the 2020 Business Affairs election pool.
3. If a vacant position is not filled through one of the two methods listed above, Staff Senate will ask that the leadership of the respective area(s) nominate a replacement member.

Section 3

Nominations of Classified Staff candidates for Staff Senate may be made by any of UTSA's eligible Classified Staff, as defined in Section 2-Eligibility, who works within the Vice Presidential area of the nominee. Administrative and Professional (A&P) Staff are nominated at large from the pool of eligible A&P employees. The Elections Committee is responsible for verifying eligibility of nominees and for assuring that a minimum number of candidates are nominated for each category. The minimum number is one more than the number of vacancies to be filled per category. If the minimum number is not reached through the nomination process, the Elections Committee will solicit nominees from the relevant VP area to meet the minimum number.

Section 4 - Procedures for Elections
