Introduction | **Master Planning Process** Purpose Statement

The UTSA Campus Master Plan will articulate a **roadmap** to guide the university's future development, investment, and growth to advance **academic excellence for the success of our diverse students** and to promote the **social-economic vibrancy of our communities by access and knowledge development.**

The plan draws from the university and community's history and legacy, leverages local assets, and projects a forward-looking framework for UTSA's future.

2 Main Campus Draft Plan

Principle #1

Support a robust research enterprise through interdisciplinary collaboration and partnership opportunities

Principio #1

Apoyar una empresa de investigación sólida a través de la colaboración interdisciplinaria y las oportunidades de asociación

Main Campus | *Support a robust research enterprise through interdisciplinary collaboration and partnership opportunities*

Collaboration and Partnership Feedback Themes:

- **Look for opportunities to partner with and serve the neighbors**
- **Involve local businesses for food service, etc.**

Main Campus | Conceptual Framework

Accommodate **significant additional square footage** on campus to meet research space needs and population growth

Co-locate complementary and synergistic programs such as academic programs, housing, student support, and partner facilities

Create **indoor and outdoor gathering spaces** to promote interaction and collaboration

Main Campus | Long-Term Plan

Main Campus | **Districts** Academic Core

Principle #2

Increase access to open space and celebrate the campus natural context

Principio #2

Aumentar el acceso a los espacios abiertos y celebrar el contexto natural del campus

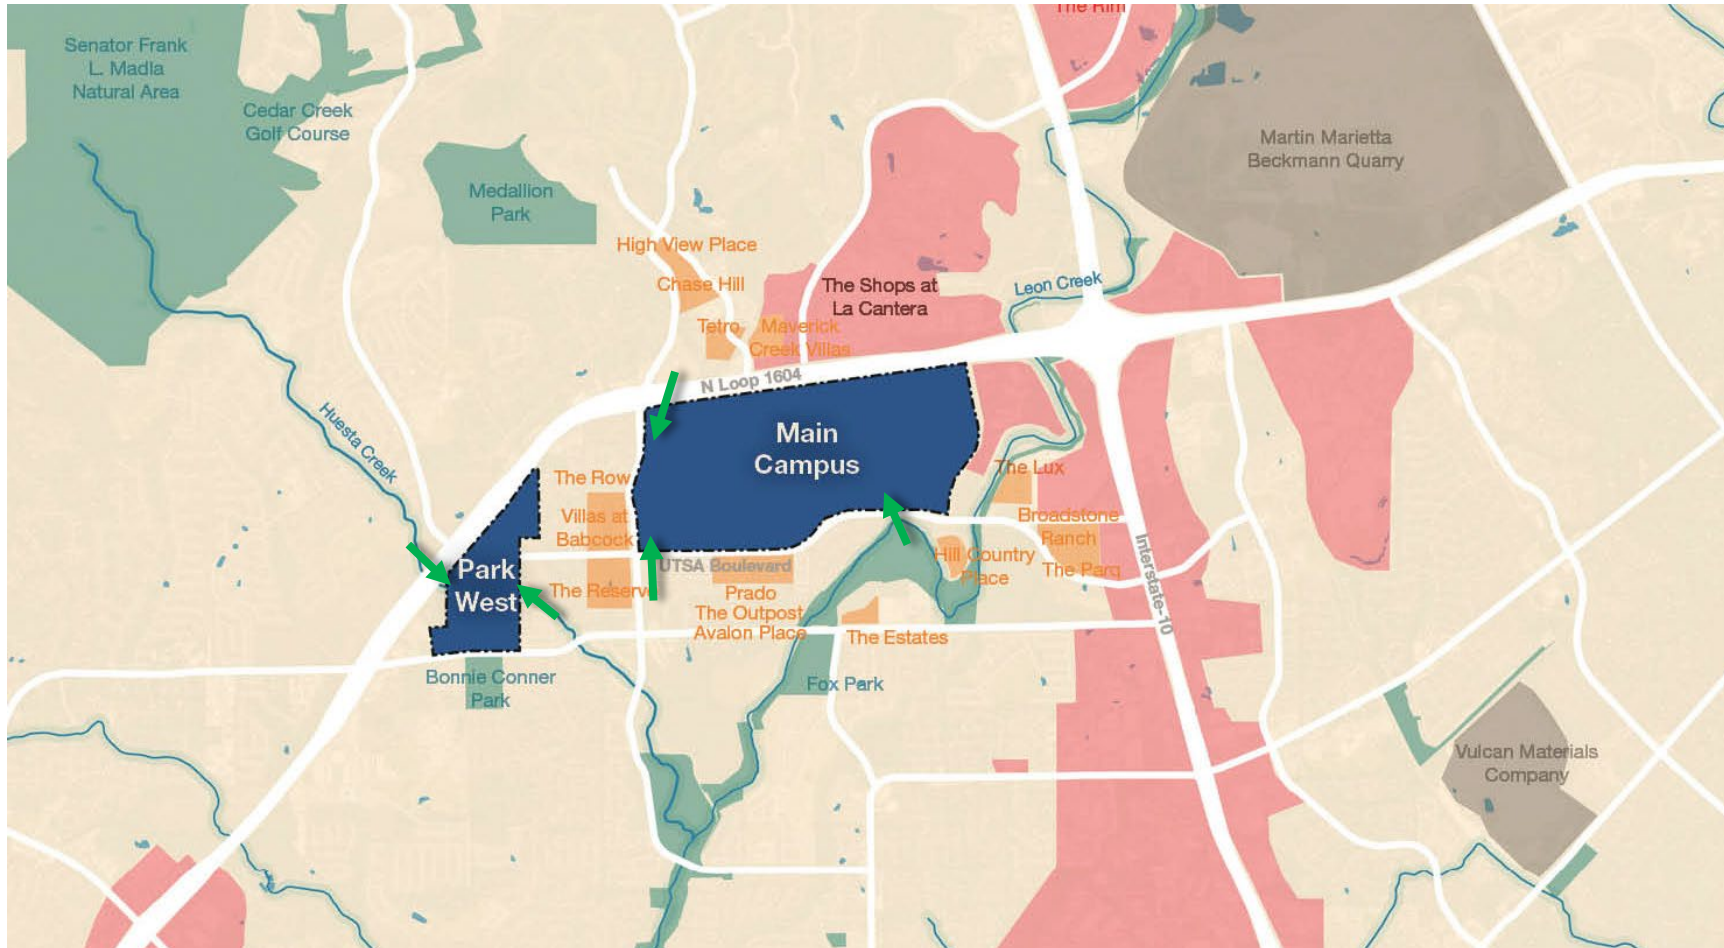

Main Campus | *Increase access to open space and celebrate the campus natural context*

Open Space Feedback Themes:

- **Desire to connect to nearby paths and greenways**
- **Need more amenities and green space on campus**
- **Appreciation for existing natural areas**

Main Campus | Campus Context Potential Trail Connections

There are several regional open space and trail systems surrounding the UTSA Main Campus that have the potential to connect with internal campus paths and greenways.

➔ Potential Trail Connection

Main Campus | Campus Framework Pedestrian and Open Space Network

Extension of the paseo network to fill in existing pedestrian gaps and connect new development areas. This helps reinforce a hierarchy of open spaces and areas of respite into the campus core.

Principle #3

Promote a pedestrian-oriented and compact campus core

Principio #3

Promover un centro de campus compacto y orientado a peatones

Pedestrian-Oriented Campus Feedback Themes:

- **Need for pedestrian and bicycle infrastructure and safety improvements**
- **Desire for UTSA transportation between campuses**
- **Concern for potential UTSA Blvd extension and impact to neighbors**
- **Concern for increased traffic with growth**

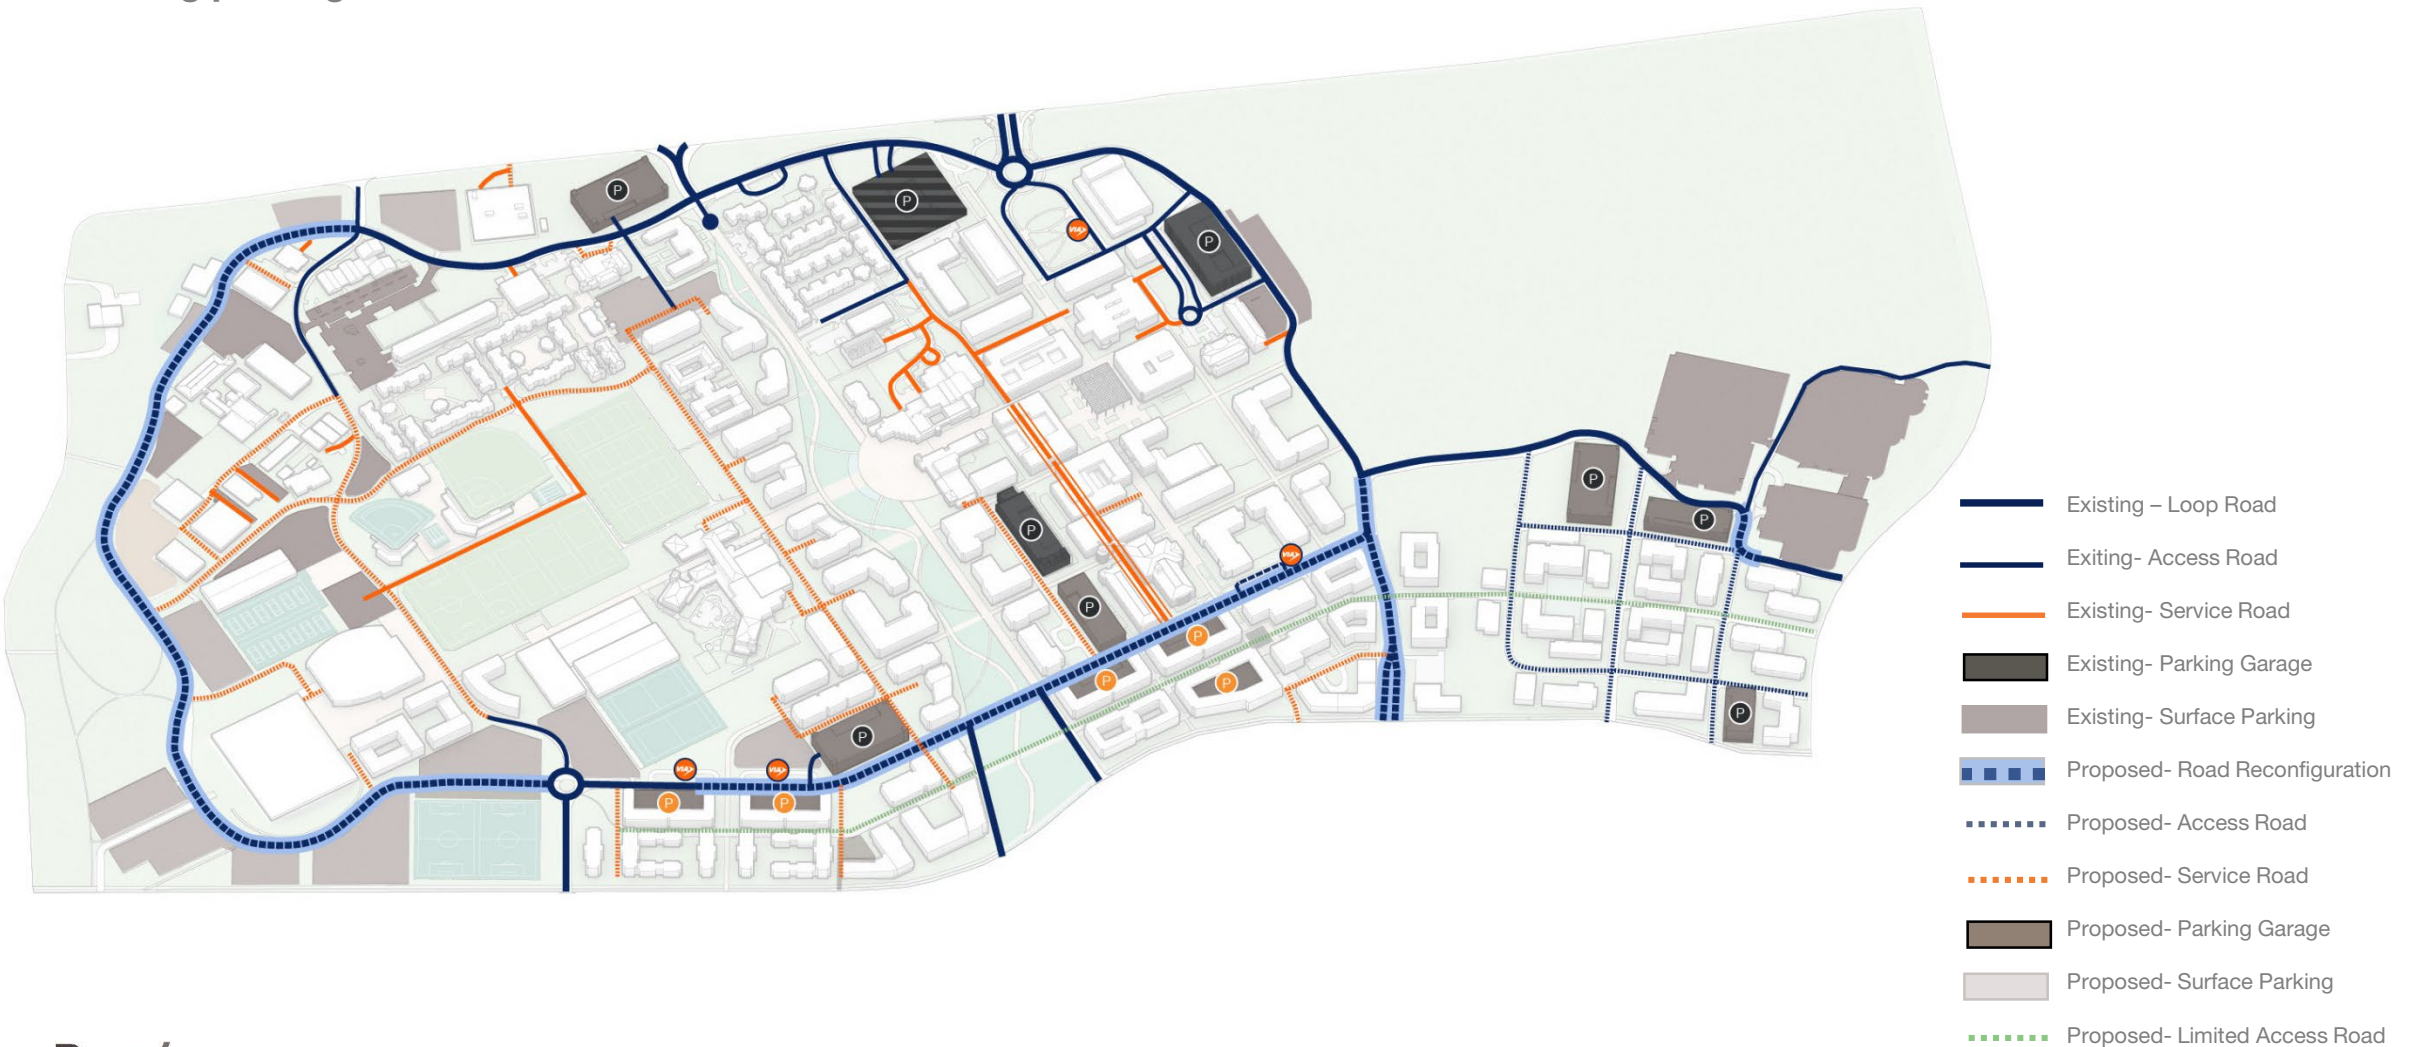

Main Campus | Campus Framework Primary Building Uses

The framework accommodates sufficient instructional, research, office, library, support, and auxiliary space to support a campus of 30,000 students. Additional housing could create up to 6,000 new on-campus beds.

Main Campus | Campus Framework Vehicular Circulation and Parking

A completed campus loop road with parking along the perimeter allows for elimination of private vehicular cut-through traffic. The framework shows parking capacity to nearly match the existing parking ratios.

Principle #4

Encourage mixed-use and improved connections between uses.

Principio #4

Fomentar uso mixto y la mejora de las conexiones entre usos

Main Campus | *Encourage mixed-use and improved connections between uses*

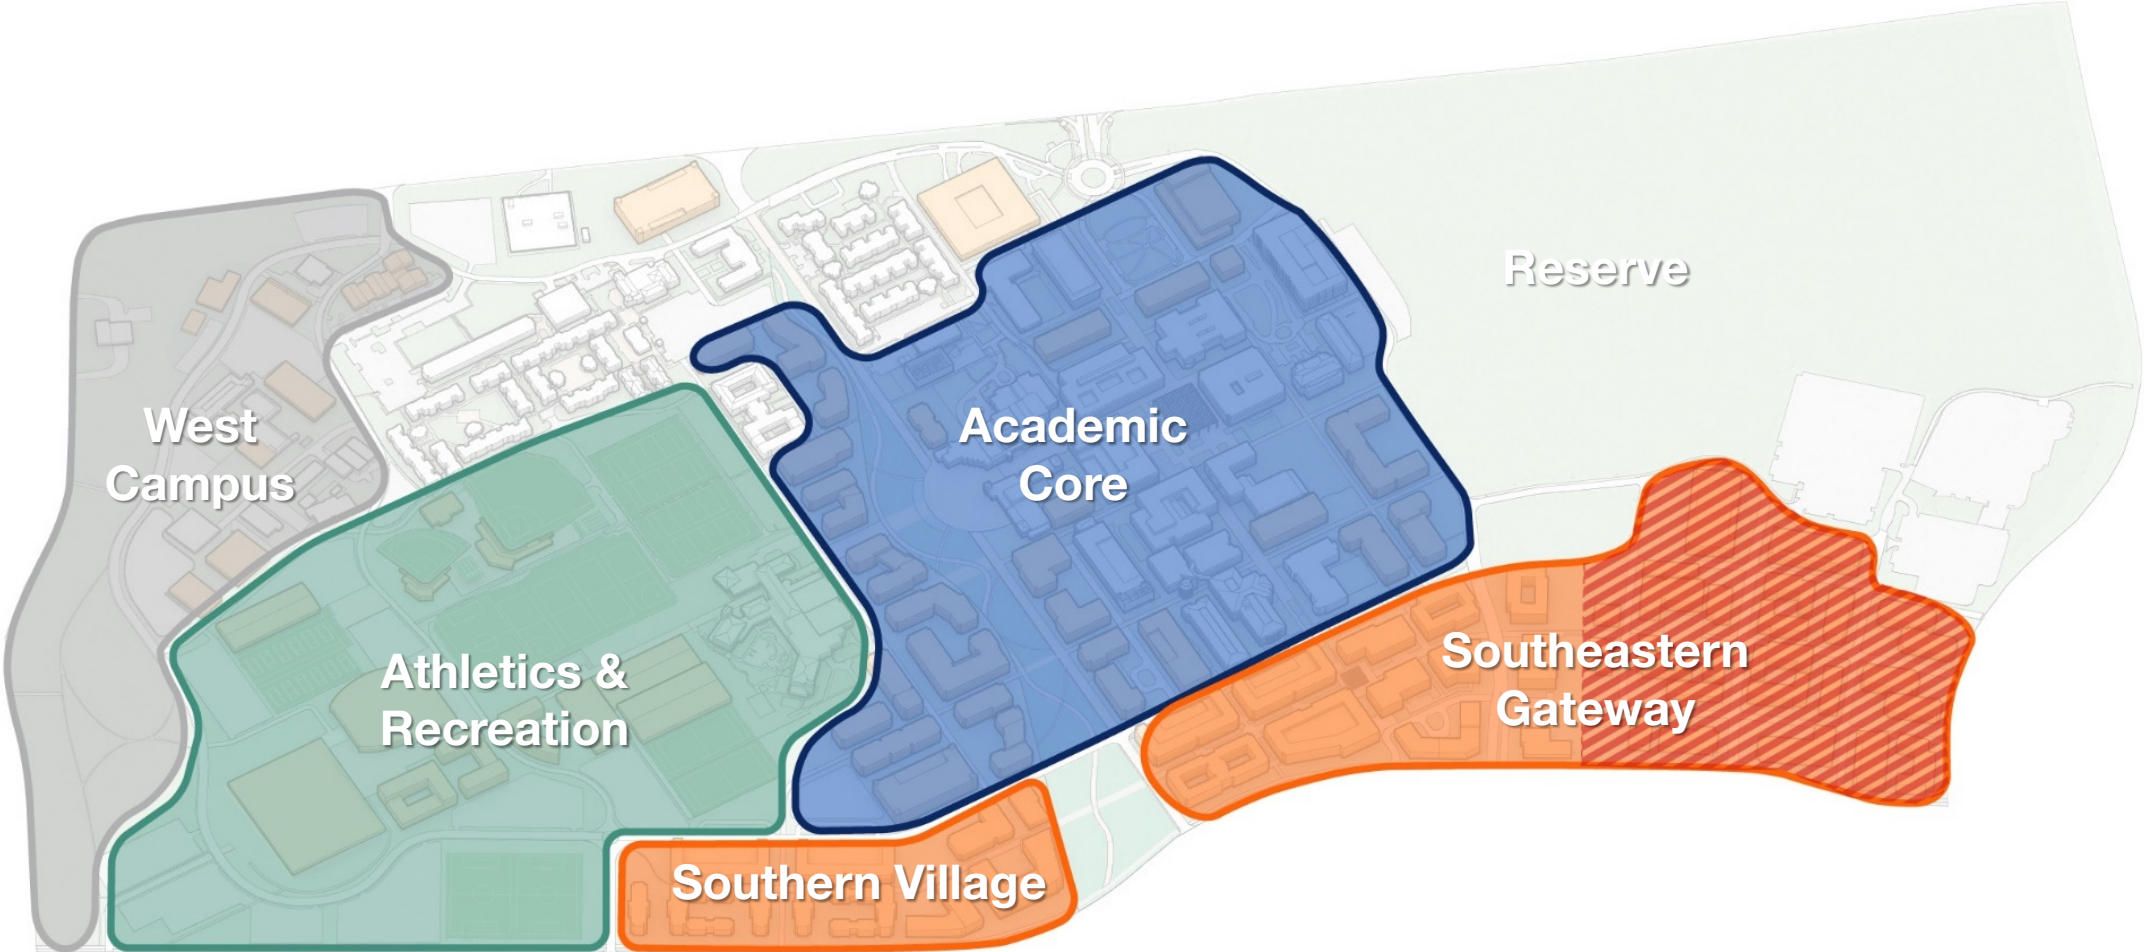

Mixed-Use Connections Feedback Themes:

- **Desire for additional student housing on campus**
- **Concern for impacts of students living in nearby neighborhoods**

Main Campus | Long-Term Plan

Main Campus | **Districts**

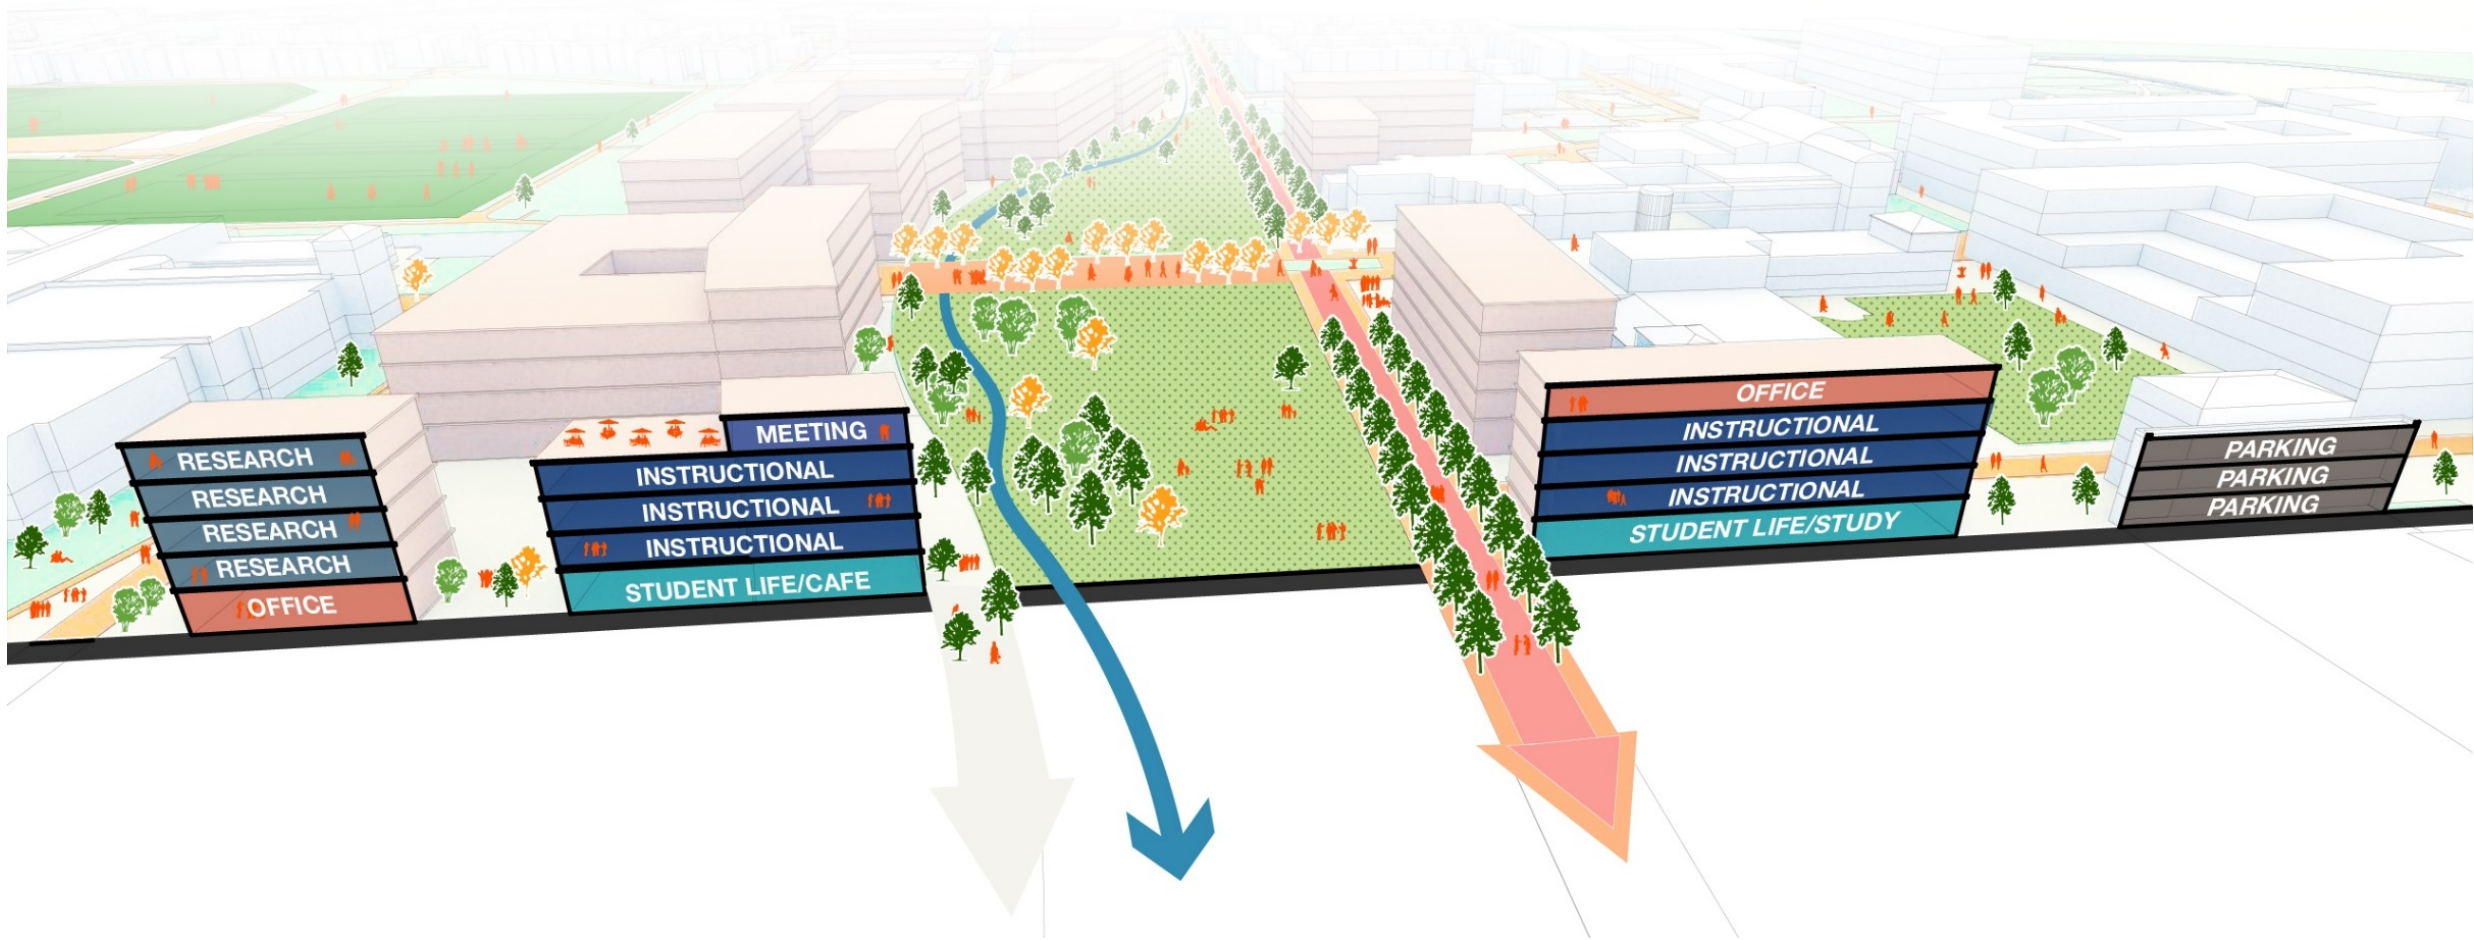

Main Campus | **Districts** Academic Core

Main Campus | **Districts** Academic Core

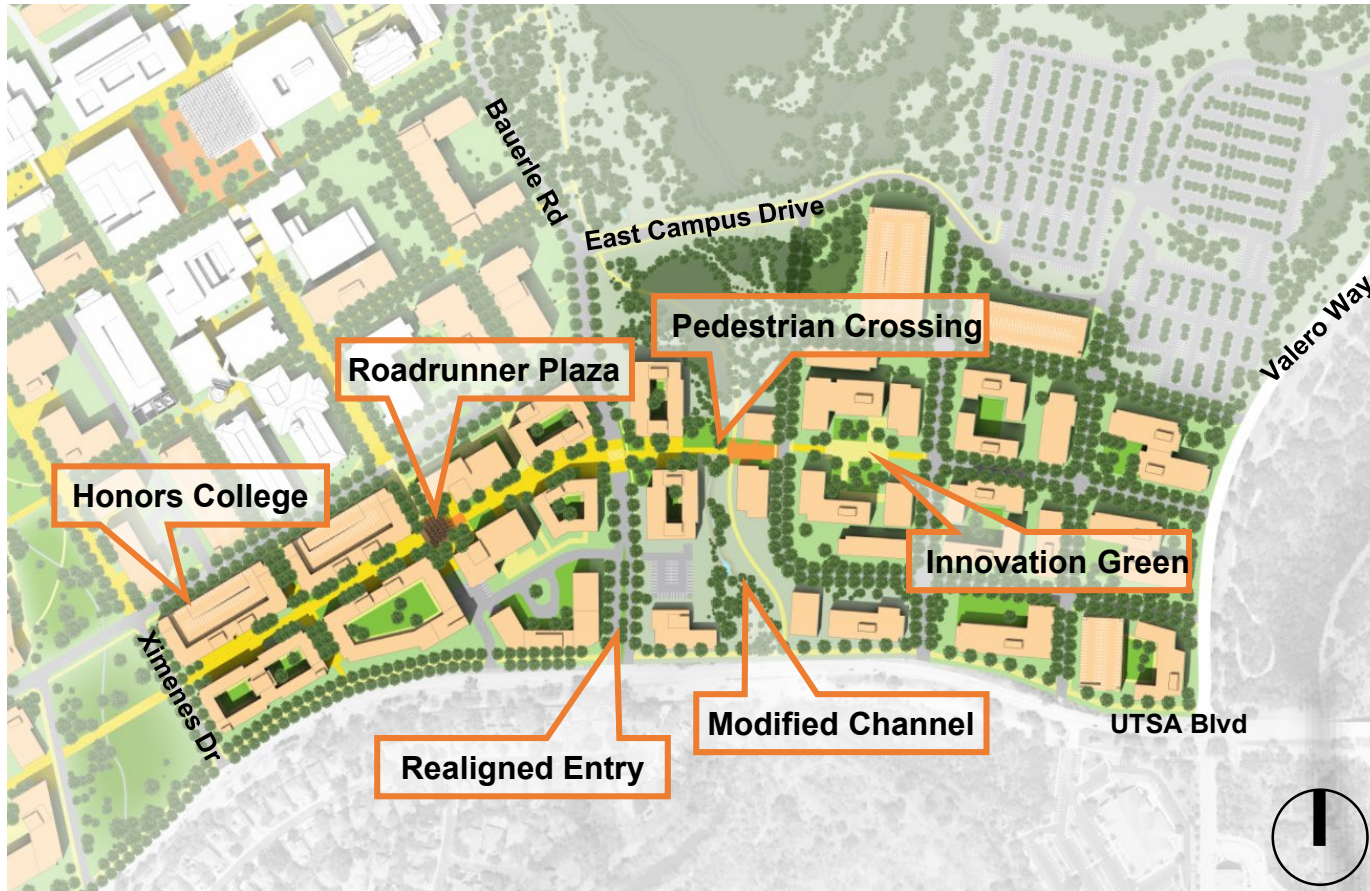

Main Campus | Paseo Verde

Main Campus | Paseo Verde

Main Campus | **Districts** Southeastern Gateway

Main Campus | Roadrunner Village Plaza

Main Campus | Innovation Park

Inviting opening spaces and a carefully revamped drainage channel provides a viable research area seamlessly interwoven with the core of campus.

Main Campus | Districts West Campus

Main Campus | **Districts** Park West

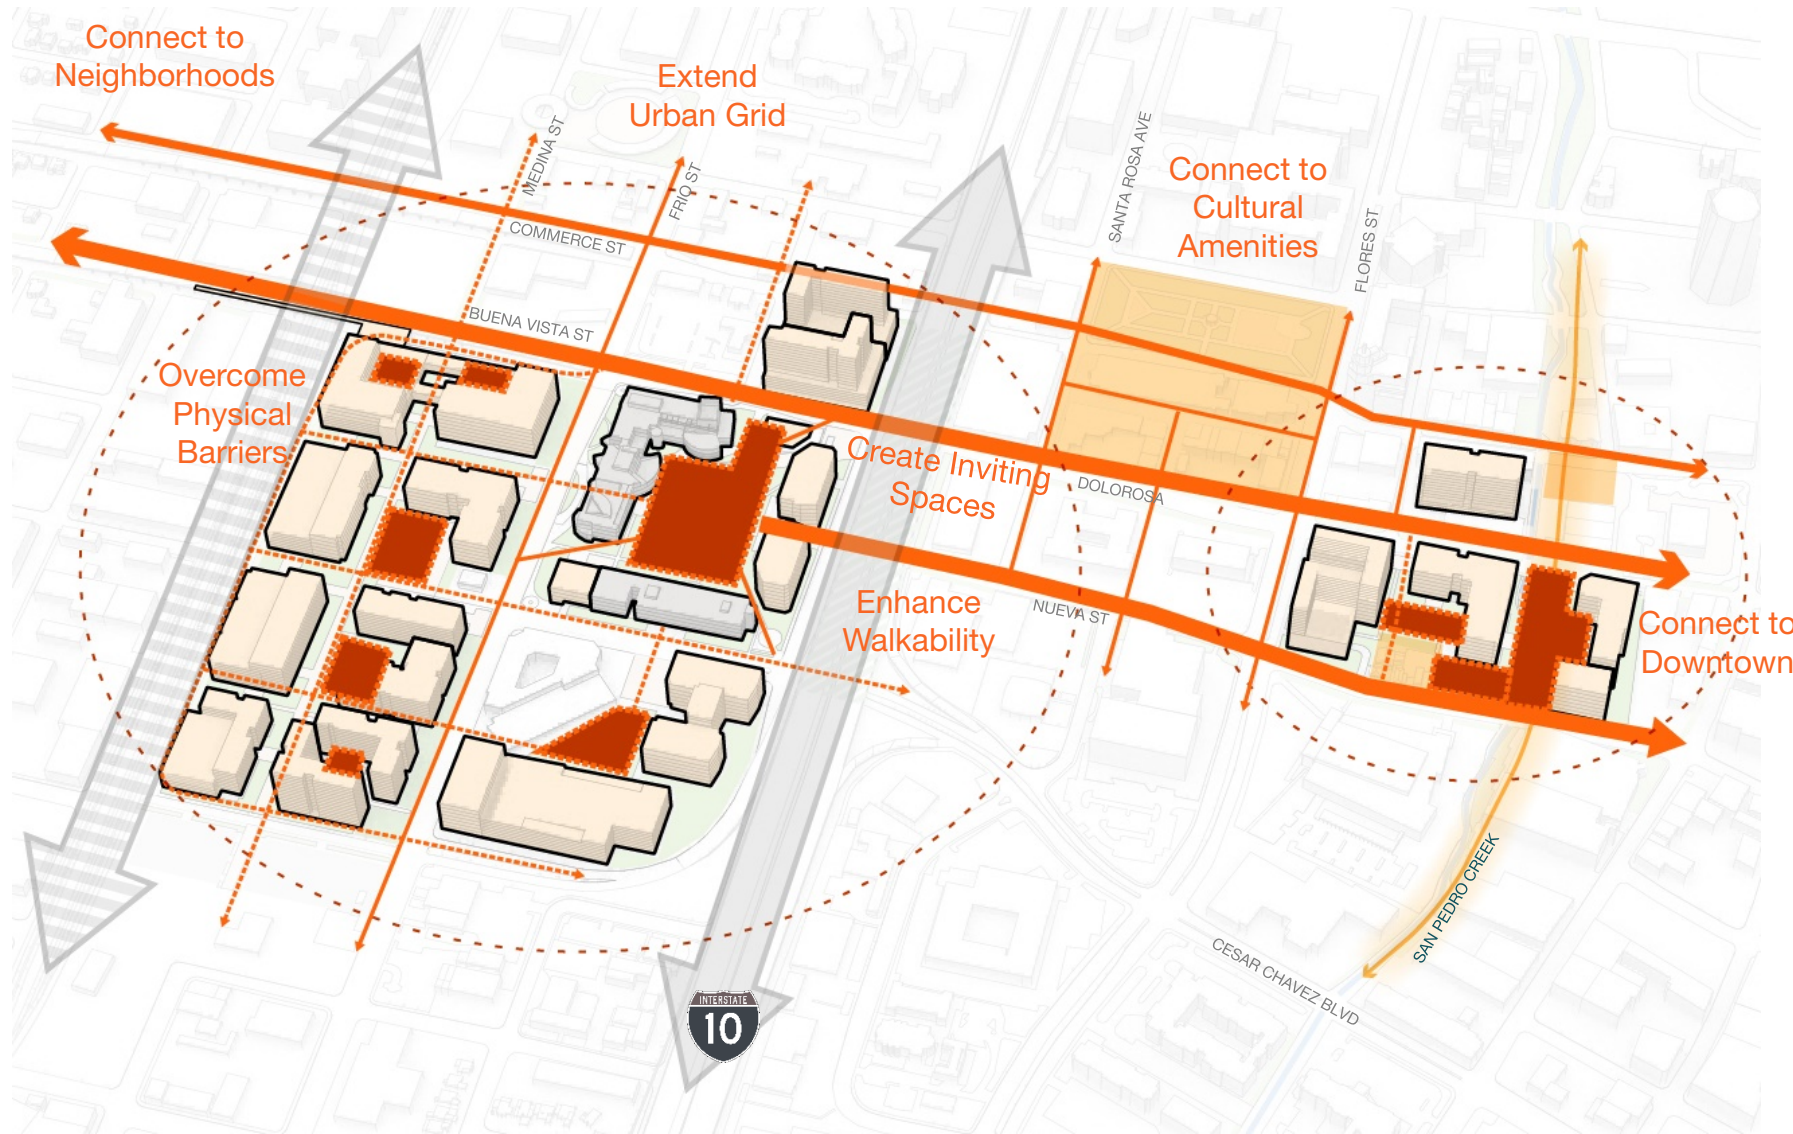

3 Downtown Campus Draft Plan

Downtown Campus | Planning Principles

- Promote **community partnerships**
- Embrace the **urban environment** of San Antonio
- Enhance **pedestrian connections** to surrounding areas and connect campus facilities
- Create a **complete, comprehensive UTSA campus**

Downtown Campus | Conceptual Framework

Encourage and create opportunities for **synergistic partner development** through physical accommodations and programmatic connections

Make or reinforce **intentional physical connections to key off-campus destinations** (i.e. key neighborhoods, such as the Historic Westside, internship/practicum partners, collaborator businesses, community amenities, and cultural destinations)

Downtown Campus | Long-Term Plan

Downtown Campus | Buena Vista Entry Pavilion

Downtown Campus | Westside Crossing
