The University of Texas at San Antonio
Student Organization Football Tailgating
Rules & Structure

Student Organizations will have the opportunity to purchase Tailgating spaces in the Alamodome Parking Lot after having their representative(s) attend the Annual State Mandated Risk Management Training and participate in a Tailgating Workshop. UTSA Athletics will ask any student purchasing a tailgate spot if it is for a student organization. Students purchasing a spot and then using it for an organization will be referred to the Office of Student Conduct and Community Standards for furnishing false information and the organization may be referred through the student organization process as well. Organizations receiving Tailgating space will be allotted up to two (2) spaces per organization. Fees (Currently $40 for both spaces) will be assessed by UTSA Athletics and are not part of Student Activities or Student Organizations.

All guests wishing to tailgate at the Alamodome parking lots must observe the following guidelines. These guidelines have been developed to provide a fair, reasonable and safe tailgating experience for guests. Tailgating is permitted on football event days only. Failure to follow these guidelines may result in the loss of tailgating privileges and ejection from the parking lot. All vehicles entering the Alamodome parking lots are subject to a security/safety inspection before being allowed to park.

Student organizations and individual students may also be referred to the Office of Student Activities and the Office of Student Conduct and Community Standards for alleged violations. The Athletics Department may also revoke the privilege of tailgating if rules are not followed.

Alamodome Parking Lots open 4* hours prior to the beginning of the applicable game. The Student Organization section will close 30 minutes prior to kick-off. Each space occupied for tailgating must have a permit.

Respectful Environment
Tailgating is a vibrant and family friendly environment. Please be respectful of those surrounding you, being mindful of your choice of language and volume of music. Stereo speakers must be at a volume that will not disrupt other guests. We want the tailgating experience to be enjoyed by all. Groups are personally responsible for making sure their guests act appropriately.

Opening/Closing
Student groups may enter the parking area beginning 4 hours before kick-off. All events and activities must end 30 minutes prior to kick-off.

Clean-Up
All groups are responsible for making sure their assigned tailgating area is cleaned prior to departing for the game. Immediately at the conclusion of tailgating (30 minutes prior to the start of the game):

- All trash/recyclable items must be picked up and sorted into proper receptacles. This includes trash around your assigned area. Trash should be closed in bags or trash containers. Please provide your own trash bags.
- Please keep in mind your environmental impact while planning for Tailgating activities to help with our city’s and university’s sustainability efforts.
- All leftover food/beverages must be placed in proper containers and stored.
- All clean up procedures must be completed before entering the Alamodome.

Tailgating spaces not completely cleaned prior to kick-off could result in the group’s loss of future tailgating privileges without refund.

Tailgating Coordinator
Each student organization wishing to participate in tailgating will designate a “Tailgating Coordinator” to attend each event (being on site at all times), represent their group throughout the season, and be responsible for working with his or her group to uphold university policies. All Tailgate Coordinators will
meet with Student Activities prior to the first game of each season for training and/or a review of expectations.
