Total Hours for the UTSA Core Curriculum completed at the community college 42	

Things to do and remember at the Community College:

- Read the Community College catalog for course descriptions and prerequisites.
- Visit with a Community College counselor for help with course sequencing and availability as it could affect the time it takes to complete the entire degree program.
- Remember that a maximum of 66 transferable semester credit hours from a community college can be applied to a bachelor's degree at UTSA. (Adjustments can be made for courses with lab hours.) Developmental education, orientation, life experience, mathematics below the College Algebra level, and vocational-technical courses are not acceptable for transfer credit.
- Visit with a UTSA Transfer Specialist or email them at Transfer@utsa.edu if you have questions about the transfer plan or UTSA admissions requirements and policies.
- Be sure to apply for admission to UTSA at least one semester prior to intended transfer term. There are application deadlines, which are found at www.utsa.edu >Future Students>Academic Services>Admissions.

**Laredo Community College and
The University of Texas at San Antonio**
Transfer Plan for the College of Education and Human Development
Bachelor of Science in Health
With a specialization in *Community Health and Preventive Services*
UTSA Undergraduate Catalog 2014-2015

The following courses apply to the major:

<u>TCCN</u>	<u>Title</u>	<u>Hours</u>	<u>UTSA</u>
BIOL 2301*/2101*	Anatomy and Physiology I Lecture/Laboratory	4	BIO 2083 & 2091
BIOL 2302*/2102*	Anatomy and Physiology II Lecture/Laboratory	4	BIO 2103 & 2111
MATH 1342*	Elementary Statistical Methods	3	STA 1053
Free Electives	(Cannot be technical credits)	13	

NOTES:

* Must be completed with a "C-" or better for acceptance into degree program at UTSA

Department Admission Policy

To declare a Health major, a pre-health student must have:

- completed 30 semester credit hours and be in good standing with the University
- successfully completed the following or equivalent courses with a grade of "C-" or better:
 - WRC 1013 Freshman Composition I
 - WRC 1023 Freshman Composition II
 - HTH 2413 Introduction to Community and Public Health

Applicants who have completed all of the above courses as equivalent transferable college credit with a grade of "C-" or better and have no UTSA coursework can declare a Health major if they:

- meet all UTSA undergraduate admission requirements
- have completed 30 semester credit hours.

Things to do and remember upon Admission to UTSA:

- Make an appointment with the academic advisor of the major once accepted to UTSA to clarify department, college and university policies and procedures, to review course sequencing and to help with identifying resources for academic success. A current listing of academic advising centers can be found at the following link: www.utsa.edu/advise/advisors.html.
- Refer to the official source of information on specific courses within the UTSA requirements for this degree plan from the 2014-2015 Undergraduate Catalog or visit the web site at www.utsa.edu.
- This degree program requires a "C-" or better in all major, support work and elective courses.
- Read the UTSA Undergraduate Catalog and Student Information Bulletin.
- Pay close attention to course sequencing and availability at UTSA as it will affect the time it takes to complete the degree program.

We are pleased that you intend to transfer to UTSA to complete your Bachelors degree. This transfer plan ensures that these courses will transfer to UTSA with earned grades of "D" or higher for this degree program. Please note that some majors require a grade of "C-" or better and this is stated in the UTSA catalog for the particular major.

If you have any questions about community college courses that do not appear on this transfer plan, please contact the transfer specialist at Transfer@utsa.edu. This plan was created from the curriculum listed in the 2014-2015 UTSA Undergraduate Catalog and the community college catalog available at the time of production.
