

**Dallas County Community College District and
The University of Texas at San Antonio**
Transfer Plan for the College of Engineering
Bachelor of Science in Biomedical Engineering
UTSA Undergraduate Catalog 2016-2017

UTSA Core Curriculum taken at the Community College Any courses underlined here are required or recommended for this major.	
Communications (010)	6 Hours: ENGL 1301, ENGL 1302
Mathematics (020)	3 Hours: MATH 1314, MATH 1325, MATH 1332, MATH 1442, MATH 2412, MATH 2413*
Life and Physical Sciences (030) <i>Choose any two from this list</i>	6 Hours: PHYS 1403, PHYS 1404, BIOL 1408, BIOL 1409, BIOL 1406* , BIOL 1407, BIOL 1411, CHEM 1411, ENVR 1401, ENVR 1402, GEOL 1401, GEOL 1404, GEOL 1405, GEOG1301, PHYS 2425* , PHYS 2426
Language, Philosophy & Culture (040)	3 Hours: ARAB 1411, ARCH 1311, ARCH 1305, CHIN 1411, ENGL 2332, ENGL 2333, FREN 1411, ENGL 2331, GEOG 1303, GERM 1411, HIST 2321, HIST 2322, HUMA 2323, PHIL 1304, ITAL 1411, JAPN 1411, HUMA 1305, PHIL 2303, PHIL 2316, PHIL 2306, RUSS 1411, SPAN 1411
Creative Arts (050)	3 Hours: ARTS 1303, ARTS 1304, ARCH 1305, ARCH 1303, ARTS 1301, DANC 2303, HUMA 1302, HUMA 1315, HUMA 1311, MUSI 1310, MUSI 1306
American History (060) <i>Choose any two from this list</i>	6 Hours: HIST 1301, HIST 1302, HIST 2301
Government - Political Science (070)	6 Hours: GOVT 2305, GOVT 2306
Social and Behavioral Sciences (080)	3 Hours: ANTH 2346, ANTH 2302, ANTH 2351, KINE 1346, CRIJ 1301, ECON 1301, ECON 2301, ECON 2302, GEOG 1302, PHED 1304, PSYC 2301, SOCI 1301, SOCI 1306, SOCI 2340
Component Area Option (090) <i>AIS 1203 and one from this list or any other course listed above</i> <i>If fulfilling this requirement at the community college, both courses can be taken from the bottom list or two other courses listed above.</i>	3 Hours: AIS 1203 (Academic Inquiry and Scholarship) is not offered at Dallas County Community College District. 3 Hours: SPCH 1315, ENGL 2311, PHIL 2303
Total Hours for the UTSA Core Curriculum completed at the community college 45	

Things to do and remember at the Community College:

- Read the Community College catalog for course descriptions and prerequisites.
- Visit with a Community College counselor for help with course sequencing and availability as it could affect the time it takes to complete the entire degree program.
- Remember that a maximum of 66 transferable semester credit hours from a community college can be applied to a bachelor's degree at UTSA. (Adjustments can be made for courses with lab hours.) Developmental education, orientation, life experience, mathematics below the College Algebra level, and vocational-technical courses are not acceptable for transfer credit.
- Visit with a UTSA Transfer Specialist or email them at Transfer@utsa.edu if you have questions about the transfer plan or UTSA admissions requirements and policies.
- Be sure to apply for admission to UTSA at least one semester prior to intended transfer term. There are application deadlines, which are found at www.utsa.edu >Future Students>Academic Services>Admissions.

**Dallas County Community College District and
The University of Texas at San Antonio**
Transfer Plan for the College of Engineering
Bachelor of Science in Biomedical Engineering
UTSA Undergraduate Catalog 2016-2017

The following courses apply to the major:

<u>TCCN</u>	<u>Title</u>	<u>Hours</u>	<u>UTSA</u>
PHYS 2426*	University Physics II	4	PHY 1963 & 1971
MATH 2414*	Calculus II	4	MAT 1224
CHEM 1411*	General Chemistry I	4	CHE 1103
CHEM 1412*	General Chemistry II	4	CHE 1113

NOTES:

* Must be completed with a "C-" or better for acceptance into degree program at UTSA

Special Department Admission Requirements

Transfer Students: All transfer students must meet the minimum admission requirements for the College of Engineering and the Biomedical Engineering program (see catalog). Transfer students must also meet the minimum Good Academic Standing Requirements for a Biomedical Engineering Major in order to be considered for admission to the Biomedical Engineering program. Additionally, transfer students should also have completed at least 15 semester credit hours of mathematics, science, or engineering courses, and have an overall grade point average of a 3.0 or better. Admissions to the biomedical engineering program will be competitive; meeting the aforementioned requirements does not guarantee admission to the program. Admission will be restricted only to the most qualified applicants.

The minimum requirements that a student must satisfy in order to remain in good standing as a biomedical engineering major are stated below:

- A cumulative grade point average (GPA) of at least 3.0 for all coursework (cumulative GPA will be calculated on all courses, including previously attempted or repeated courses).
- An average GPA of at least 3.0 for all science, mathematics and engineering coursework (GPA will be calculated on all courses, including previously attempted or repeated courses).

Students who fail to meet the above requirements but have a minimum cumulative GPA of 2.5 or above will be placed on programmatic probation in the following semester. Students who fail to maintain good academic standing after a semester of programmatic probation or who have a cumulative GPA below 2.5 will be deemed to be not in good academic standing as a biomedical engineering major and will be removed from the program.

Things to do and remember upon Admission to UTSA:

- Make an appointment with the academic advisor of the major once accepted to UTSA to clarify department, college and university policies and procedures, to review course sequencing and to help with identifying resources for academic success. A current listing of academic advising centers can be found at the following link: www.utsa.edu/advise/advisors.html.
- Refer to the official source of information on specific courses within the UTSA requirements for this degree plan from the 2016-2017 Undergraduate Catalog or visit the web site at www.utsa.edu.
- Information on Gateway Courses can be found here: <http://www.utsa.edu/registrar/students/gateway.html>.
- This degree program requires a "C-" or better on major courses.
- Read the UTSA Undergraduate Catalog and Student Information Bulletin.
- Pay close attention to course sequencing and availability at UTSA as it will affect the time it takes to complete the degree program.

We are pleased that you intend to transfer to UTSA to complete your Bachelors degree. This transfer plan ensures that these courses will transfer to UTSA with earned grades of "D" or higher for this degree program. Please note that some majors require a grade of "C-" or better and this is stated in the UTSA catalog for the particular major.

If you have any questions about community college courses that do not appear on this transfer plan, please contact the transfer specialist at Transfer@utsa.edu . This plan was created from the curriculum listed in the 2016-2017 UTSA Undergraduate Catalog and the community college catalog available at the time of production.
