

APPWORX INSTALLATION GUIDE

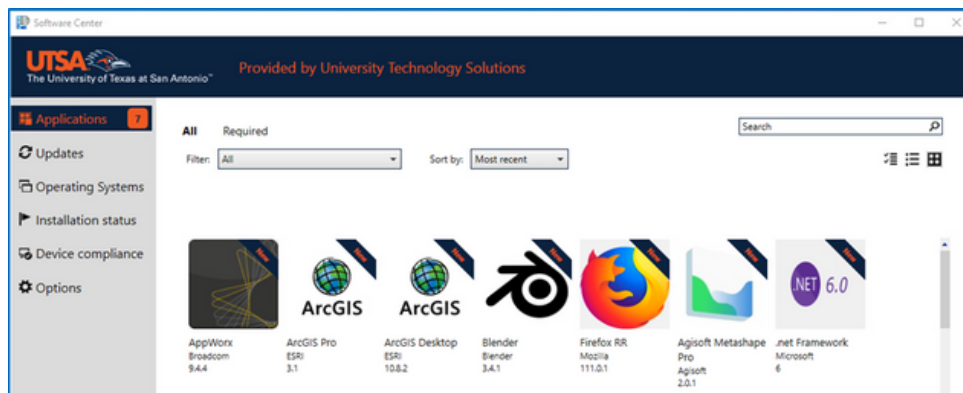

STEP 1:

- Open the Software Center on your computer
 - This can be done from your Start Menu (Launched with Windows key) by searching “Software Center”

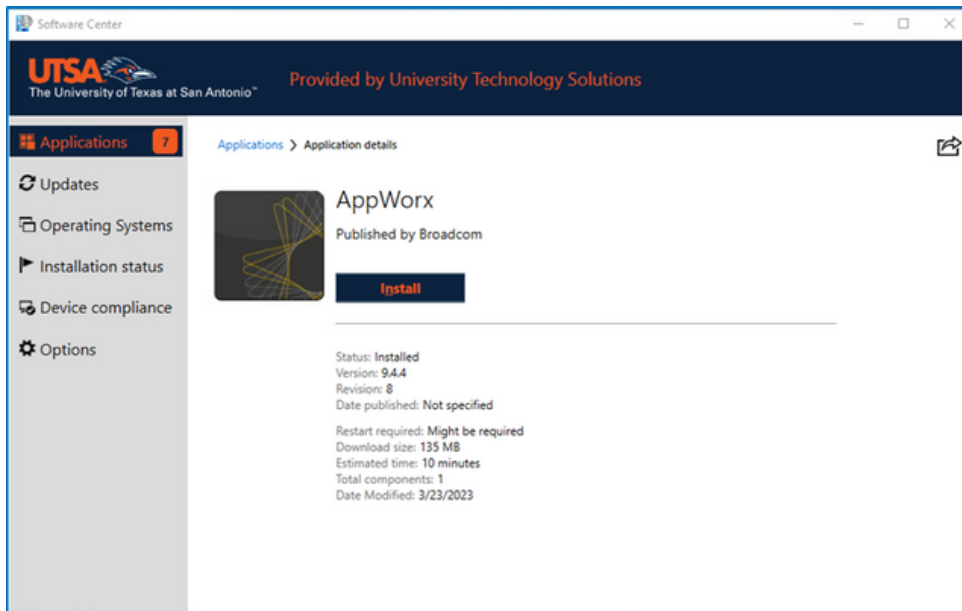

STEP 2:

- Select “AppWorx”

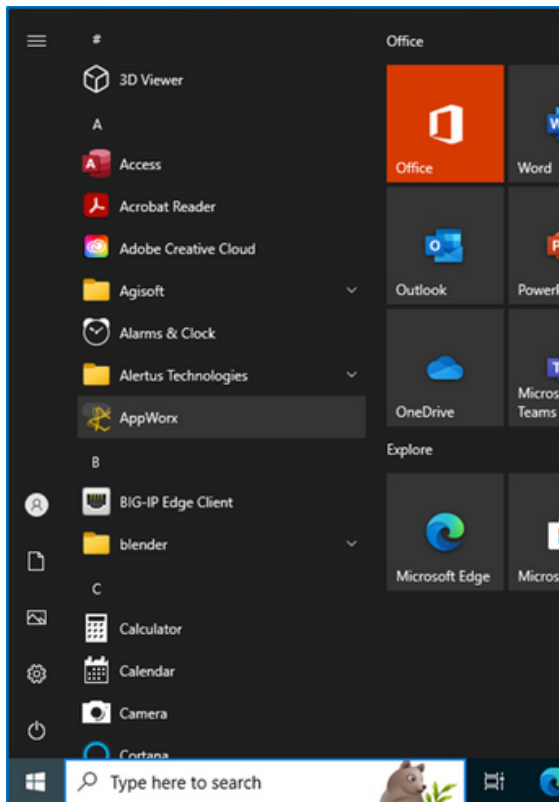

STEP 3:

- Click “Install” and wait for it to finish

STEP 4:

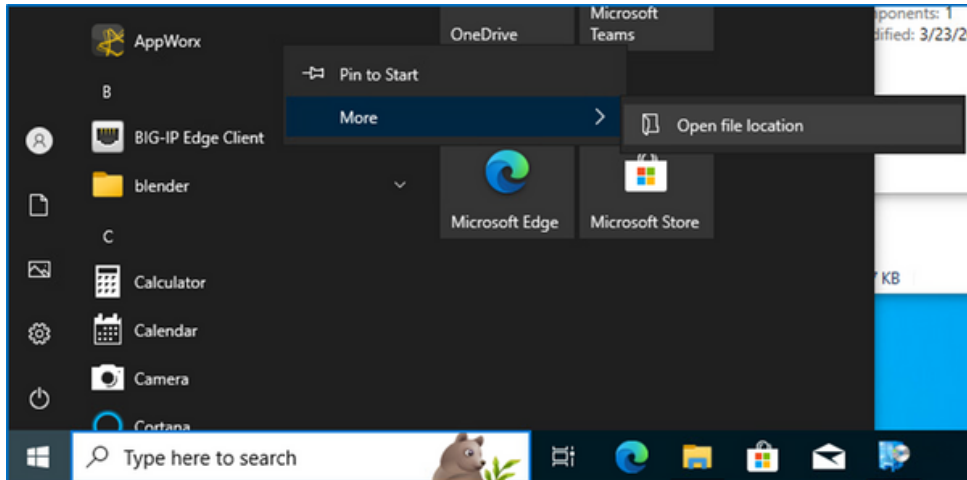

- Once complete, a Start Menu shortcut is created
 - The shortcut will launch Appworx, prompting you to login and begin your work!

If you would like to create a desktop shortcut, please follow the steps on the next page.

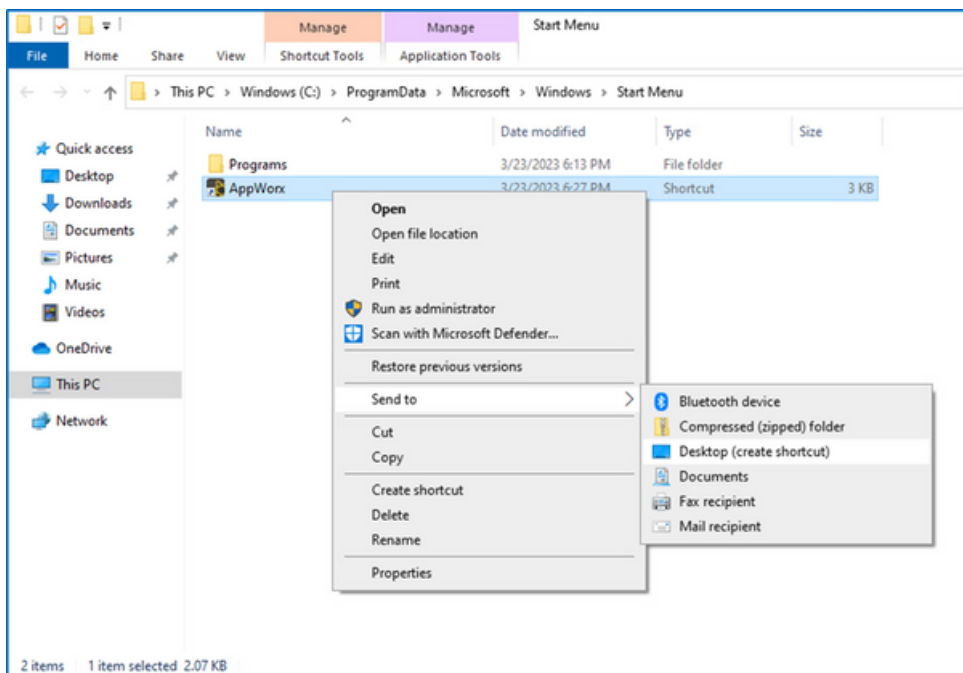

STEP 1:

- Right Click on the AppWorx Start Menu icon.
- Click “More” then Click “Open file location”

STEP 2:

- In the Folder that opens, Right Click “AppWorx”, then Click “Send to”, then Click “Desktop (create shortcut)”

All done, your shortcut will now be on the desktop
