

CHANGE YOUR EMAIL ADDRESS IN iCLICKER ACCOUNT

This guide only applies to users who have already established an iClicker account and wish to change the associated email. Want to create an account for the first time? [Click here for instructions.](#)

1. Log in to iClicker at <https://student.iclicker.com/#/login>
2. Click Profile
3. Change the email listed in the email field to the new one you'd like to use

A screenshot of the iClicker 'Profile' page. The page has a blue header with a hamburger menu icon on the left and the word 'Profile' on the right. Below the header, there are several form fields with labels and values: 'Institution' (The University of Texas at San Antonio), 'First Name' (Your first name), 'Last Name' (Your last name), 'Email' (first.last@my.utsa.edu), 'myUTSA ID' (ncr864), 'Change Password', and 'Register Remotes'.
