

Eduroam Connection Instructions for Macs

(for UT Health visitors to UTSA)

1. Click the Wi-Fi icon in the top-right menu bar and ensure the Wi-Fi is turned on.
2. Select the **eduroam** network
3. In the list of available networks, find and click on **eduroam**. It should display a padlock icon, indicating it's a secure network.

4. Enter your institutional login details in the following format:

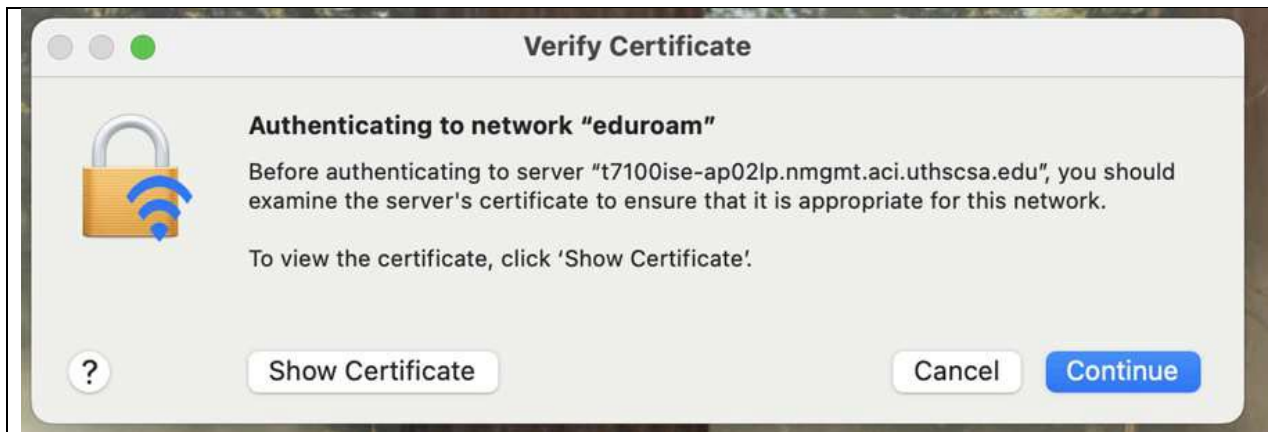

Username:

username@win.uthscsa.edu

Password:

your UTHSCSA password

5. Verify the Security certificate. You'll see the server name (t700ise-ap02lp.nmgmt.aci.uthscsa.edu)

6. Click "Show Certificate" to view its details. If the certificate matches the institution and looks correct, click "Continue" to proceed.

Note: You may be asked to enter your Mac admin password to confirm and save the certificate.

Once connected, please proceed to connect to the UTHSCSA network via our VPN (GlobalProtect).
