# Eduroam Connection Instructions for Windows

(for UT Health visitors to UTSA)

1. Click the Wi-Fi icon on the taskbar or navigate to your device's network settings.

2. Ensure Wi-Fi is enabled, confirm that the Wi-Fi toggle is switched on so your device can detect nearby networks.

3. In the list of available networks, find and click on **eduroam**. It should display a padlock icon, indicating it's a secure network.

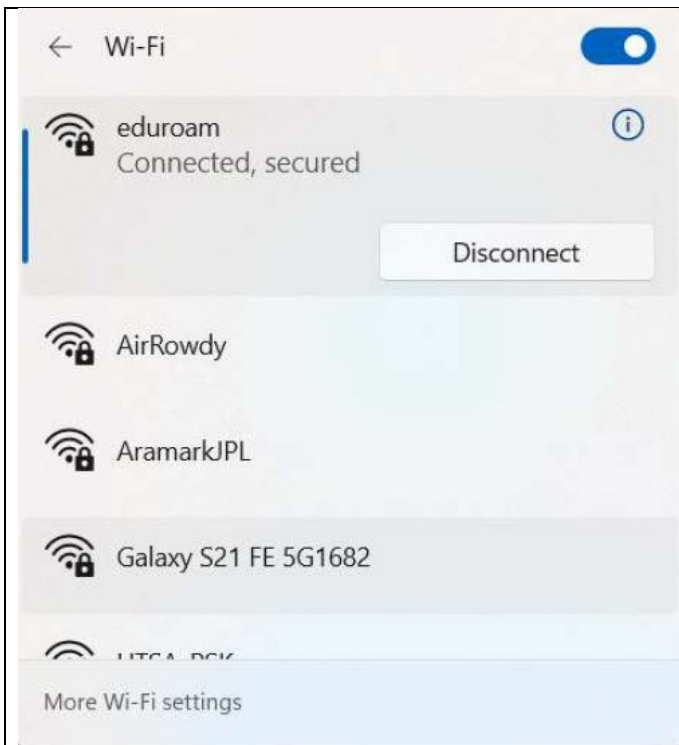

4. Click once on **eduroam**, and then click the connect button

5. Enter your institutional login details in the following format:

Username: username@win.uthscsa.edu
Password: your UTHSCSA password

Once connected, proceed to connect to the UTHSCA VPN (GlobalProtect).
