Test Autopsy

Use these guiding questions to figure out what your test prep issues are and how they can be improved.

**ASK:**

- How did you prepare?  
  *How could you prepare better next time?*

- What went wrong?  
  *How can you prevent that in the future?*

- What went right?  
  *How can you ensure that happens again?*

- Did you seek help?  
  *Who could have helped you and how do you reach out?*

- What will you try next time?  
  *What is your plan to make that happen? Who can help?*
