

# Are you part of a combat-injured family?

## You're invited to participate in a research study!

### WHAT IS THIS?

- Families OverComing Under Stress: Combat Injured (FOCUS-CI) conducted by Uniformed Services University.
- Family skill-building offered to military families.

### WHAT DOES PARTICIPATION REQUIRE?

- Must have any type of combat injury and at least one child.
- Four interviews conducted during 2-year period.
- Study visits will take place in a mutually convenient location on or off post.

### WHAT WILL YOU RECEIVE?

- You may be compensated.
- San Antonio and surrounding metro areas Resource Guide.
- Access to extensive web site.
